

# Handwriting Without Tears®

by Learning Without Tears

Our award-winning Handwriting Without Tears fourth grade curriculum features developmentally appropriate, multisensory activities for cursive that make handwriting easy to teach and easy to learn.

Our program includes:

- **NEW!** Digital teaching platform for handwriting instruction
- Engaging activities that teach letter and number formations
- Lessons with interesting, cross-curricular connections
- Developmental teaching order
- Strategies aligned to learning standards

New!

## Handwriting Reimagined

### □ HITT: The Handwriting Interactive Teaching Tool™

We've reimagined handwriting instruction to align with evolving digital classroom standards. HITT is a one-stop, digital teaching platform for presenting handwriting instruction. The HITT features include:

- Digital workbook and teacher's guide
- Multimedia options for teaching digital letter and number formations, animations, music, and instructional videos
- Access to fun, cross-curricular connections, supplemental lessons, and downloads
- Compatible with any interactive whiteboard or projector

### □ Multisensory Tools

Our fourth grade handwriting curriculum includes interactive, multisensory tools to promote differentiated learning. Our hands-on tools teach grip, capital letters, lowercase letters, and number formation.

### □ Bundles

Bundle to save on time and cost! Our fourth grade bundle includes:

- *Cursive Success* student workbooks
- *Writing Journal E*
- *Building Writers E* student workbook

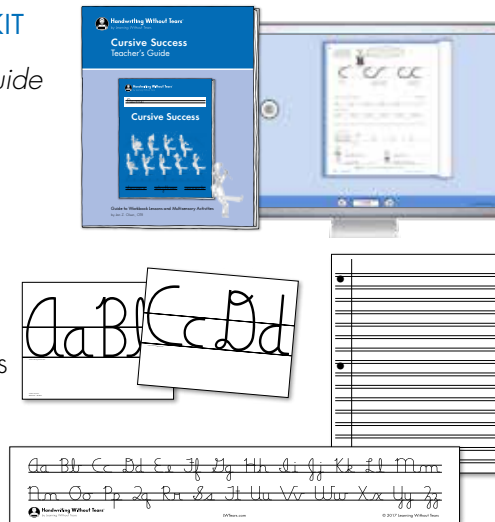

## Kits

The convenience factor counts! Our fourth grade kits include all the foundational, hands-on materials you need to get started.

### □ FOURTH GRADE TEACHER'S KIT

- *Cursive Success Teacher's Guide* and 30-day HITT trial
- Cursive Wall Cards (17 cards)
- Narrow Double Line Paper (500 sheets)
- Cursive Alphabet Desk Strips (32 strips)

### □ FOURTH GRADE CLASSROOM KIT

- Blackboard with Double Lines (26)
- Little Sponge Cubes (1)
- Little Chalk Bits (1)

**Build foundational handwriting skills in just 15 minutes a day!**
