

KEYBOARDING Without Tears®

by Learning Without Tears

Keyboarding Without Tears provides engaging, game-based lessons that follow a developmental instructional sequence to help your child learn best. We are building a foundation for strong digital literacy skills and preparing your child for success with computer-based testing.

Your child is encouraged to use the Keyboarding Without Tears curriculum between 5–10 minutes a day.

Access the Keyboarding Without Tears program at home by following these simple steps:

Desktop, Laptop, or iPad Use

1. From a web browser (Chrome preferred), go to **program.kwtears.com**
2. Enter your teacher PIN (provided below) in the Let's Get Started box

Let's Get Started
Enter your district or educator PIN

Educator

Enter Educator PIN

SUBMIT

What's my PIN?

3. Select your child's grade, class, and name

What grade are you in?

K 1 2 3 4 5+

4. Input your child's secret code (provided below) Students will pick up in their grade-specific keyboarding curriculum where they last left off
