		b. Responds to others and to the environment	<p>Get Set for School is comprised of hands-on learning through play with positive transitions between activities in order to keep children engaged and participating throughout the school day. Unit 1 focuses on behavior and the skills children need to be successful at school. This includes, but is not limited to greetings, understanding who are friends, friendly behavior, similarities and differences between people, how to look and listen, polite and rude behavior, manners and respect, sharing with others, taking turns, waiting for turn or in line, etc. From the beginning, we establish what is appropriate for behavior at school, discuss those things, make class lists, and/or experience them through dramatic play. 		c. Expresses feelings and emotions.	<p>The Get Set for School Pre-K curriculum focuses on using books that support multiple areas including social and emotional development. Most often Pre-K teachers are the first to teach children about socially-appropriate behavior. Integration can easily be done to teach and discuss appropriate behavior, skills, and concepts with Pre-K children. The books assist in opening discussions about topics that need to be learned (e.g., sharing, waiting, taking turns, kindness, empathy, friendship, anti-bullying, etc.). Book suggestions are provided to support Social-Emotional Learning discussions in Pre-K classrooms. In addition to books, multiple Social-Emotional Learning tools and classroom resources are suggested to support teaching social-emotional skills as well.</p>

		e. Respects others	<p>Get Set for School is comprised of hands-on learning through play with positive transitions between activities in order to keep children engaged and participating throughout the school day. Unit 1 focuses on behavior and the skills children need to be successful at school. This includes, but is not limited to greetings, understanding who are friends, friendly behavior, similarities and differences between people, how to look and listen, polite and rude behavior, manners and respect, sharing with others, taking turns, waiting for turn or in line, etc. From the beginning, we establish what is appropriate for behavior at school, discuss those things, make class lists, and/or experience them through dramatic play. In Units 2–6, children continue to practice appropriate behaviors throughout in preparation for kindergarten.</p> <p>Teacher’s Guides <i>Get Set for School Pre-K Teacher’s Guide: Multisensory Lessons with Hands-On Learning: Introduction to the Curriculum</i>, Classroom Management Tips, “Transition Tips,” pp. 33–34; Book Connections, pp. 100-101; Books All Year – Social Emotional Learning Books, <i>I’m Like You, You’re Like Me: A Book About Understanding and Appreciating Each Other</i> by Cindy Gainer, p. 103 <i>Get Set for School Pre-K Teacher’s Guide: Multisensory Lessons with Hands-On Learning</i> Language & Literacy, pp. 16, 32, 60, 104, 112, 142, 188, 196, 198, 202, 204, 258, 282, 316, 334, 369 Readiness & Writing, Throughout, e.g., pp. 62, 64, 66, 68, 78, 80, 92, 94, 102, 104, 106, 112, 116, 118, 124, 126, 128, 130, 138, 140, 142, 146, 150, 152, 154, 164, 166, 168, 176, 178, 180, 184, 188, 190, 192, 200, 202, 204, 212, 214, 216, 220, 224, 226, 228, 238, 240, 242, 250,</p>
